- All (100%) of the kids paid for the Magic Mountain Trip.
- We still need to cost out the exact amount for chaperones. The exact amount will depend on how many people are in each room.
- There are just enough adults for the trip.

The reports were followed by a lengthy discussion on how to improve the parent involvement component of the booster organization. The 15-20 parents present brainstormed some ideas including the following:

- Participation points for students whose parents attend meetings---also discussed inherent problems with the point system as it has been used in the past.
- Phone Tree
- Student Leadership Involvement
- Raffles/Incentives
- Parent Meet and Greet Social Activity
- Lori volunteered to begin a phone tree for the next meeting.

Meeting adjourned with parents reflecting on conversations.
